
Firecrackers Realistic Novel Vechten Carl Alfred

carl van vechten - david rosen writes - novel, nigger heaven, a best-seller and one of the most controversial books of the era. but most importantly, van vechten was a well-to-do man-about-time, a well-known married bi-sexualist into inter-racial homoerotic pleasures. he was white gotham's cultural ambassador to the harlem renaissance, helping to get published many leading african-american writers. at this, and most other soirées ... **multitudes: a celebration of the yale collection of ...** - van vechten's many enthusiasms included an abiding love of cats; conducting research for his own book about cats, the tiger in the house, the writer amassed an impressive collection of books about the subject.
